WELCOME ADDRESS

Dear Colleagues,

It is with great pleasure that we welcome you to the 7th Conference on Spinal Pain Rehabilitation: Intervention versus Surgery, organized by the Department of Physical Medicine and Rehabilitation. The event is held under the auspices of the School of Medicine of the University of Ioannina, the Hellenic Spine Society (E.E.S.S.), and the Orthopaedic & Traumatology Society of Macedonia–Thrace (O.T.E.MA.TH.).

The Conference will take place at the Amphitheater of the University Hospital of Ioannina on Thursday, December 4th, 2025, following the “S. Niarchos” Visiting Professor Day of the Department of Physical Medicine and Rehabilitation, which will be held on Wednesday, December 3rd, 2025.

The Conference on Spinal Pain Rehabilitation is addressed to physicians of related specialties (Orthopaedic Surgeons, Radiologists, Neurologists, Neurosurgeons, Rheumatologists, Physiatrists, Anesthesiologists), therapists (physiotherapists, occupational therapists, psychologists), orthotic–prosthetic technicians, nurses, and students. It will cover the latest developments on Spinal Pain rehabilitation, with a holistic approach. Main topics include the principles of spinal interventions and surgeries for the treatment and rehabilitation of spinal pain. Speakers are distinguished International and Greek experts in the field of spinal pain rehabilitation.

On behalf of the Organizing Committee,

Avraam Ploumis, MD

Director–Professor of Physical Medicine and Rehabilitation–Spine Rehabilitation,
Division of Surgery
University of Ioannina
Orthopaedic Spine Surgeon
